- Welcome and Reception
- Themed Decorations and Ambiance
- Interactive Activities and Games

What is a Kitty Party?

A kitty party is a standard time to spend together, where females meet to socialize, play games, and contribute to a combined fund called the "kitty." The kitty is the party's highlight, with each member contributing a fixed amount of money every month. This amalgamated money is then provided to one member based on a trajectory or a draw system. The cycle persists until every member has accepted the kitty at least once.

Throw your kitty party in Panchkula in style.

Located in Panchkula, the venue is available to the people of the Tricity area without any brothers. There is a massive hall that can acclimate many people and is more inclined to host splendid functions such as birthday parties and corporate events. The boss baby club also has a hall appropriate for small parties, such as your monthly kitties. It is one of the best places to manage ladies' kitty parties in Panchkula because it provides all your festive events and serves mouth watering cuisines till you enjoy your day out with your friends!

With the support of the staff, you can even manage theme-based parties to make the occasion more thrilling. Throw in a **Funny Group game for ladies kitty parties** other than the regular ones, and have fun throughout at a very insignificant price, only at Boss Baby Club!
