

Expert Support for NGO Darpan Registration and 12A Registration – NGO Experts

Are you planning to start an NGO or already managing one? Then **NGO Darpan registration** and **12A registration** are crucial for your organization's transparency and tax exemption. At **NGO Experts**, we offer complete legal guidance and support to help NGOs get registered quickly and correctly.

NGO Darpan registration is a government initiative under NITI Aayog that provides recognition and credibility to NGOs. It is mandatory for NGOs seeking government grants or working on CSR projects. Alongside this, **12A registration** is vital as it offers income tax exemption to NGOs on their income, donations, and grants. Both registrations are essential for long-term sustainability and growth.

At **NGO Experts**, we specialize in the legal process of these registrations. Our experienced legal team handles all document preparation, online filing, and follow-ups with precision. We ensure your NGO remains compliant with government standards and eligible for benefits.
