

How to Cancel Disney Plus Subscription? 2 Quick Solutions

Disney+ is one of the OTT platforms that allows you to stream your top bucket lists hassle-free. It offers you two main plans: basic (with ads) and premium (without ads). But sometimes, you have decided to discontinue the membership plan, but don't know [how to cancel Disney Plus subscription](#). So, whatever plan you have chosen, you can simply cancel your subscription by following a few steps.

In this how-to tutorial, we will go through various options for canceling the subscription, whether you've subscribed from its official site or a third-party source.

How to Cancel Disney Plus Subscription?

When you cancel the Disney+ membership plan, note one thing: your account will not be deleted.

For Website:

- Sign in to your Disney+ account on your favorite device.
- Choose Profile.
- Now, choose Account.
- Under the Subscription option, pick your Disney+ plan.
- Pick Cancel Subscription.

You will have access to Disney+ until your billing period finishes, at which point no billing will take place. We make no refunds or credits on partially used billing periods.

For third-party billed subscriptions:

In case you have subscribed to Disney+ with the assistance of a third-party billing partner, then the process of cancelling your subscription may differ. To find out more, visit the help center of your billing partner or contact them.

What is the process of cancelling my bundle plan when I have subscribed to it?

When canceling a bundle plan, there are some complexities to note in the event that you had a pre-existing Hulu, ESPN+, or Max subscription before you upgraded.

When canceling your original subscription, your subscription to the Disney+, Hulu, and ESPN+ Bundle will not be canceled. In fact, you will stick to it and still have access to Disney+, Hulu, and ESPN+ within that same bundle plan. If you had been getting a credit against the monthly subscription to your Disney+, Hulu, and ESPN+ Bundle subscription, which had been using ESPN+, then your credit will cease at the point when you cancel your previous subscription.

In the event that you cancel your Disney+, Hulu, and ESPN+ Bundle, your previously existing Hulu, ESPN+, or third-party billed subscription(s) will remain at the current price and on the current terms (unless separately cancelled), but without access to the bundle due to the changes made to your Disney+, Hulu, and ESPN+ Bundle plan. Going forward, you will also continue to be charged on your original plan but by the biller that you registered under.

Can We Pause the Disney+ Subscription?

Yes! You are allowed to pause your Disney+ subscription for up to three months. Moreover, you will not be charged for anything. But you are also not allowed to stream any of the content.

The End Verdict!

We hope your doubt is cleared on [how to cancel Disney Plus subscription](#). We have provided you two main ways: by using the website or any third-party applications. Cancel the membership plan from that source from which you have taken the plan.
