## What is MSAT (Secondary)

MSAT (Secondary) is a nationally recognised merit-based examination and is widely regarded as a leading scholarship test for IIM students. It is designed for aspirants seeking admission into MBA, PGDM, or other management programs at top institutions across India, including the prestigious Indian Institutes of Management (IIMs). The primary purpose of this exam is to support talented and deserving students, especially those for whom financial limitations may create barriers. Along with financial assistance, MSAT (Secondary) also provides proper guidance and access to quality management education. Depending on performance, scholarships may cover partial or even full tuition fee waivers, enabling bright students to pursue their MBA goals confidently and without financial stress. Owing to its benefits and credibility, MSAT (Secondary) is considered one of the top scholarship opportunities for MBA aspirants in India.
